1) The file regarding the reorganisation of the Department and the redistribution of the divisional Charges of the Department is placed below for perusal with the G.O of Govt and marked. While the previous distribution Confined it's area to the revenue districts, the present proposal departs from that and is designed to be Conducive for more satisfactory inspection and control. Submitted for orders

2) As per present proposal of the Registar, the jurisdiction of Bangalore & Kolar Divs will increase whereas that of Hassan & Chitaldrug Divisions will decrease. At present, the last two divisions are the heavier and particularly Hassan Div with 338 Societys & 14 LM Societys. The redistribution of the jurisdiction seems to be quite obligue and in some Cases seems to be more conducive to quicker despatch of work. eg Chitaldrug Div Asst Registar can better look after Societys in Channagiri & Honnali Tqs than the Tqs of Tarikere or Chikmagalur or Koppa in Kadur Div. Similarly Hassan Asst Registar finds it easier to attend to Chikmagalur & Tarikere Tqs which are much nearer than Mangalore, Bantwal Seringapatam and Trichur Rocks. Only the Asst Registrar Shimoga will have to tackle 3 more ~~heavy~~ very heavy malnad Tqs ie Koppa, Narasimharajapura Sringeri & Tarikere giving up two maidan Tqs of Channagiri and Honnali. His entire jurisdiction will comprise of very intense Malnad Tqs. Only this part of the proposal seems to be open to objection. So if this is not to be accepted, Shimoga Div may be taken as it is at present, and the Tqs of Kadur, Tarikere, Koppa & Narasimharajapura Sub Tqs & Sringeri may be included in Chitaldrug Division as before excluding Honnali & Channagiri. Nor would

After all, there is not much difference in the no of societys in the Shimoga Div

lead to a more equitable distribution of Malnad portions among the three Agri Regions namely those of Hassan Chitaldrug and Shimoga Dts This suggestion is for consideration. If approved, the Regions may be consulted unofficially, on this point

3) The redistributed Divisions proposed by the Regs appear to be administratively more convenient than the present arrangement of basing on Districts. The only objection to it may be that the new Divisions do not correspond exactly with the boundaries of the revenue Dts Such correspondence of territorial jurisdiction of different Depts is not essential & need not be adhered to if it results in serious inconvenience to the work of the Depts According to the statement enclosed to the Reg's letter it is seen that the present Cooperative divisions are unequal in area, & proceeds in point of the number of institutions This has naturally made some of the changes

considerably heavier Wardenships. The Combined Camp Dist as in the case of the Central Army & Hasan Divisions have in addition to the ~~m~~ rendering the charges heavy remember in making them territorially disjointed & far flung The new Divisions proposed ~~regarded~~ ~~superintendence abstractions from the principals or District charges to ensure extensive touring~~ have the advantage of being ~~etc~~ more compact & the ~~increase in~~ ~~District numbers~~ ~~reasonably~~ contiguous inter the additional merit that in the process of redistribution the working of the several charges have been more nearly equalized than ~~last~~ now

SECRETARIAT
12 FEB. 1943

Sir,

I have the honour to invite your kind reference to G.O.No.A.F.6580-83/C.S. 26-40-5 dated 1st June 1942 sanctioning the reorganisation of the several cadres of this Department and passing orders on the redistribution of the charges of the Divisional Offices, and to state that the charges of the Assistant Registrars of Hassan and Chitaldrug are unduly heavy and extensive and a more equitable distribution of the charges of the Divisional Officers is necessary in the interest of work. I therefore propose that a redistribution of the charges may be ordered according to the enclosed statement. The present proposal may be objected to on the ground that the Divisions are not based on the Revenue Districts or Revenue Sub-Divisions but I think this should not come in the way of an equitable distribution of the charges of the Divisional Officers, since there is not such necessity for the charges of officers of this Department to exactly coincide with the Revenue Districts. As the proposal takes into consideration the number of societies, the number of Land Mortgage Societies and the number of Inspector's ~~charges~~ Circles and the area and facilities for touring, I request that it may be approved as it is conducive to more satisfactory inspections and control

I have the honour to be
Sir,
Your most obedient servant,
